

MEMBERSHIP AND ACCOUNT AGREEMENT

This Agreement covers your rights and responsibilities concerning our accounts and the rights and responsibilities of the Credit Union providing this agreement (Credit Union). In this Agreement, the words “you”, “your”, and “yours” mean anyone who signs an Account Card, Account Change Card, or any other account opening document (Account Card). The words “we”, “us”, and “our” mean the Credit Union. The word “account” means any one (1) or more share or other accounts you have with the Credit Union.

Your account type(s) and ownership features are designated on your Account Card. By signing an Account Card, each of you, jointly and severally, agree to the terms and conditions in this Agreement, and any Account Card, Funds Availability Policy Disclosure, Truth-in-Savings Disclosure, Electronic Fund Transfers Agreement and Disclosure, Privacy Notice and Disclosure, or Account Receipt accompanying this Agreement, the Credit Union’s bylaws and policies, and any amendments to these documents from time to time that collectively govern your membership and accounts.

NOTICE OF ARBITRATION PROVISION

This Agreement contains an Arbitration Provision which provides that you or the Credit Union may elect to have all disputes resolved by **BINDING ARBITRATION INSTEAD OF IN COURT**.

You should read the Arbitration Provision below carefully. It provides, among other terms:

You **GIVE UP YOUR RIGHT TO GO TO COURT** to assert or defend your rights under this Agreement (**EXCEPT** for matters that may be taken to **SMALL CLAIMS COURT**).

Your rights will be determined by a **NEUTRAL ARBITRATOR** and **NOT** a judge or jury.

You are entitled to a **FAIR HEARING, BUT** the arbitration procedures are **SIMPLER AND MORE LIMITED THAN RULES APPLICABLE IN COURT**.

Arbitrator decisions are as enforceable as any court order and are subject to **VERY LIMITED REVIEW BY A COURT**.

YOU MAY NOT PARTICIPATE AS A CLASS REPRESENTATIVE OR MEMBER IN ARBITRATION OR IN ANY OTHER CONSOLIDATED PROCEEDING.

- 1. Membership Eligibility, Credit Reports and Other Credit Union Services** – To join the Credit Union, you must meet the membership requirements, including purchase and maintenance of the minimum required share(s) (“membership share”) as set forth in the Credit Union’s bylaws. You authorize us to check your account, credit and employment history, and obtain reports from third parties, including credit reporting agencies. You agree that this authority applies to any account, account-related service, loans or other financial products you request or which we may offer or make available to you using this information.
- 2. Individual Accounts** – An individual account is an account owned by one (1) member (individual, corporation, partnership, trust, or other organization) qualified for credit union membership. If the account owner dies, the interest passes, subject to applicable law, to the decedent’s estate or beneficiary, subject to other provisions of this Agreement governing our protection for honoring transfer and withdrawal requests of an owner or owner’s agent prior to notice of an owner’s death, and to any security interest or pledge granted by the account owner, and subject to our statutory lien rights.
- 3. Joint Accounts** – A joint account is an account owned by two (2) or more persons.
 - a. Rights of Survivorship.** Unless otherwise stated on the Account Card, a joint account includes rights of survivorship. This means that when one (1) owner dies, all sums in the account will pass to the surviving owner(s). For a joint account without rights of survivorship, the deceased owner’s interest passes to his or her estate. A surviving owner’s interest is subject to the Credit Union’s statutory lien for the deceased owner’s obligations, and to any security interest or pledge granted by a deceased owner, even if a surviving owner did not consent to it.

- b. **Control of Joint Accounts.** Any owner is authorized and deemed to act for any other owner(s) and may instruct us regarding transactions and other account matters. Each owner guarantees the signature of any other owner(s). Any owner may withdraw or transfer funds, pledge to us all or any part of the shares, or stop payment on items without the consent of the other owner(s). We have no duty to notify any owner(s) about any transaction. We reserve the right to require written consent of all owners for any change to or termination of an account. If we receive written notice of a dispute between owners or inconsistent instructions from them, we may suspend or terminate the account and require a court order or written consent from all owners in order to act.
 - c. **Joint Account Owner Liability.** If an item deposited in a joint account is returned unpaid, a joint account is overdrawn, or if we do not receive final payment on a transaction, the owners, jointly and severally, are liable to us for the amount of the returned item, overdraft, or unpaid amount and any charges, regardless of who initiated or benefited from the transaction. If any account owner is indebted to us, we may enforce our rights against any account of the indebted owner, including all funds in the joint account, regardless of who contributed the funds.
- 4. **Beneficiary Account Designations** – A beneficiary account designation is an instruction to the Credit Union that an account so designated is payable to the owner(s) during his, her, or their lifetimes and, when the last account owner dies, is payable to all surviving beneficiaries designated on your account card. Each such beneficiary shall separately own his/her equal share; the account divides equally among surviving beneficiaries upon the last surviving owner's death.
Any beneficiary designation shall not apply to Individual Retirement Accounts (IRAs). We are not obligated to notify any beneficiary of the existence of any account nor the vesting of the beneficiary's interest in any account, except as otherwise provided by law. This paragraph does not apply to an account held on behalf of or in the name of a trust.
- 5. **Accounts for Minors** – We may require any account established by a minor to be a joint account with an owner who has reached the age of majority under state law and who shall, to the extent permitted by state law, be jointly and severally liable to us for any returned item, overdraft, or unpaid charges or amounts on such account. We may pay funds directly to the minor without regard to his or her minority. Unless a guardian or parent is an account owner, the guardian or parent shall not have any account access rights. We have no duty to inquire about the use or purpose of any transaction. We will not change the account status when the minor reaches the age of majority unless the change is authorized in writing by all account owners.
- 6. **Uniform Transfers to Minors Account** – A Uniform Transfers to Minors Account (UTMA) is an individual account created by a custodian who deposits funds as an irrevocable gift to a minor. The minor to whom the gift is made is the beneficiary of the custodial property in the account. The custodian has possession and control of the account for the exclusive right and benefit of the minor and, barring a court order otherwise, is the only party authorized to make deposits, withdrawals, or close the account. We have no duty to inquire about the use or purpose of any transaction. If the custodian dies, we may suspend the account until we receive instructions from any person authorized by law to withdraw funds or a court order authorizing withdrawals.
- 7. **Agency Designation of an Account** – An agency designation on an account is an instruction to us that the owner authorizes another person to make transactions as agent for the account owner regarding the accounts designated. An agent has no ownership interest in the account(s) or credit union voting rights. We have no duty to inquire about the use or purpose of any transaction made by the agent.
- 8. **Deposit of Funds Requirement** – Funds may be deposited to any account, in any manner approved by the Credit Union in accordance with the requirements set forth in the Truth-in-Savings Disclosure. Deposits made by mail, at night depositories, or at unstaffed facilities are not our responsibility until we receive them. We reserve the right to refuse or to return any deposit.
 - a. **Endorsements.** We may accept transfers, checks, drafts, and other items for deposit into any of your accounts if they are made payable to, or to the order of, one (1) or more account owners even if they are not endorsed by all payees. You authorize us to supply missing endorsements of any owners if we choose. If a check, draft, or item that is payable to two (2) or more persons is ambiguous as to whether it is payable to either or both, we may

process the check, draft, or item as though it is payable to either person. If an insurance, government, or other check or draft requires an endorsement, we may require endorsement as set forth on the item. Endorsements must be made on the back of the check or draft with 1½ inches of the top edge, although we may accept endorsements outside this space. However, any loss we incur from a delay or processing error resulting from an irregular endorsement or other marking by you or any prior endorser will be your responsibility.

- b. **Collection of Items.** We act only as your agent and we are not responsible for handling items for deposit or collection beyond the exercise of ordinary care. We are not liable for the negligence of any correspondent or for loss in transit, and each correspondent will only be liable for its own negligence. We may send any item for collection. Items drawn on an institution located outside the United States are handled on a collection basis only. You waive any notice of nonpayment, dishonor, or protest regarding items we purchase or receive for credit or collection to your account. We reserve the right to pursue collection of previously dishonored items at any time including giving a pay or financial institution extra time beyond any midnight deadline limits.
- c. **Restrictive Legends.** Some checks and drafts contain restrictive legends or similar limitations on the front of the item. Examples of restrictive legends include “two signatures required”, “void after 60 days”, and “not valid over \$500.00.” We are not liable for any payment of any check or draft contrary to a restrictive legend or other limitation contained in or on the item unless we have specifically agreed in writing to the restriction or limitation.
- d. **Final Payment.** All items or Automated Clearing House (ACH) transfers credited to your account are provisional until we receive final payment. If final payment is not received, we may charge your account for the amount of such items or ACH transfers and impose a return charge on your account. Any collection fees we incur may be charged to your account. We reserve the right to refuse or return any item or funds transfer.
- e. **Direct Deposits.** We may offer preauthorized deposits (e.g. payroll checks, Social Security or retirement checks, or other government checks) or preauthorized transfers from other accounts. You must authorize direct deposits or preauthorized transfer by filling out a separate form. You must notify us at least 30 days in advance to cancel or change a direct deposit or transfer option. If your account is overdrawn, you authorize us to deduct the amount your account is overdrawn from any deposit, including deposits of government payments or benefits. Upon a bankruptcy filing, unless you cancel the authorization, we will continue applying payments from direct deposits in accordance with your authorization on file with us. If we are required to reimburse the U.S. Government for any benefit payment directly deposited into your account, we may deduct the amount returned from any of your accounts, unless prohibited by law.
- f. **Crediting of Deposits.** Deposits made after the deposit cutoff time and deposits made on holidays or days other than our business days will be credited to your account on the next business day.

9. Account Access

- a. **Authorized Signature.** Your signature on the Account Card authorizes your account access. We will not be liable for refusing to honor any item or instruction if we believe the signature is not genuine. If you have authorized the use of a facsimile signature, we may honor transactions initiated by a third person to whom you have given your account number, even if you do not authorize a particular transaction.
- b. **Access Options.** You may withdraw or transfer funds from your account(s) in any manner we permit (e.g., at an automated teller machine, in person, by mail, Internet access, automatic transfer, or telephone, as applicable.) We may return as unpaid any check or draft drawn on a form we do not provide, and you are responsible for any loss we incur handling such a check or draft. We have the right to review and approve any form of power of attorney and may restrict account withdrawals or transfers. We are under no obligation to honor any power of attorney which we reasonably conclude is invalid or unreliable or has been revoked.
- c. **Credit Union Examination.** We may disregard any information on any check or draft other than the signature of the drawer, the amount, and any magnetic encoding. You agree that we do not fail to exercise ordinary care in paying an item solely because our procedures do not provide for sight examination of items.

- 10. **ACH & Wire Transfers** – Except as amended by this Agreement, electronic fund transfers we permit that are subject to Article 4A of the Uniform Commercial Code will be subject to such provisions of the Uniform Commercial Code as enacted by the state where the main office of the Credit Union is located. We may execute certain requests for an electronic fund transfer by Fedwire. Fedwire transactions are subject to Federal Reserve Board Regulation J. You may order an electronic fund transfer to or from your account. We will debit your account for the amount of the electronic fund transfer and will

charge your account for any fees related to the transfer. Unless we agree otherwise in writing, we reserve the right to refuse to execute any order to transfer funds to or from your account if the amount of the requested transfer plus applicable fees exceeds the available funds in your account. We are not liable for errors, delays, interruptions, or transmission failures caused by third parties or circumstances beyond our control, including mechanical, electronic, or equipment failure. We will not provide you with next day notice of ACH transfers, wire transfers, and other electronic payments credited to your account. You will receive notice of such credits on your account statements. You may contact us to determine whether a payment has been received. If we fail to properly execute a payment order, and such action results in a delay in payment to you, we will pay you dividends or interest for the period of delay as required by applicable law. The dividends or interest paid to you will be based on the lowest nominal dividend or interest rate we were paying on any account during that period. Payment orders we accept will be executed within a reasonable time of receipt but may not necessarily be executed on the date they are received. Cutoff times may apply to the receipt, execution, and processing of fund transfers, payment orders, cancellations, and amendments. If a request for a fund transfer, payment order, cancellation, or amendment is received after a cutoff time, it may be treated as having been received on the next fund transfer business day. Information about any cut off times is available upon request. From time to time, we may need to suspend processing of a transaction for greater scrutiny or verification in accordance with applicable law, and this action may affect settlement or availability of the transaction. When you initiate a wire transfer, you may identify the recipient and any financial institution by name and by account or identifying number. The Credit Union and any other financial institutions facilitating the transfer may rely strictly on the account or identifying number, even if the number identifies a different person or financial institution. Any account owner may amend or cancel a payment order, even if that person did not initiate the order. We may refuse any request to amend or cancel a payment order that we believe will expose the Credit Union to liability or loss. Any request that we accept to amend or cancel a payment order will be processed within a reasonable time after it is received. You agree to hold us harmless from and indemnify us for all losses and expenses resulting from any actual or attempted amendment or cancellation of a payment order. We may require you to follow a security procedure to execute a payment order or certain electronic fund transfer transactions. We will notify you of any such security procedures, and you agree that our security procedures are commercially reasonable.

11. Account Rates and Fees – We pay account earnings and assess fees against your account as set forth in the Truth-in-Savings Disclosures and Schedule of Fees and Charges. We may change the Truth-in-Savings Disclosure or Schedule of Fees and Charges at any time and will notify you as required by law.

12. Transaction Limitations

- a. Withdrawal Restrictions.** We will pay checks or drafts, permit withdrawals, and make transfers from available funds in your account. The availability of funds in your account may be delayed as described in our Funds Availability Policy Disclosure. We may also pay checks or drafts, permit withdrawals, and make transfers from your account from insufficient available funds if you have established an overdraft protection plan or, if you do not have such a plan with us, in accordance with our overdraft and courtesy pay disclosure. We may refuse to allow a withdrawal in some situations and will advise you accordingly if: (1) there is a dispute between account owners (unless a court has ordered the Credit Union to allow the withdrawal); (2) a legal garnishment or attachment is served; (3) the account secures an obligation to us; (4) required documentation has not been presented; or (5) you fail to repay a credit union loan on time. We may require you to give written notice of seven (7) to 60 days before any intended withdrawals.
- b. Transfer Limitations.** We may limit the dollar amount or the number of transfers from your account. Please consult your Truth-in-Savings Disclosure or Electronic Fund Transfers Agreement and Disclosure.

13. Certificate Accounts – Any time deposit, term share, share certificate, or certificate of deposit account allowed by state law (certificate account), whichever we offer, is subject to the terms of this Agreement, the Truth-in-Savings Disclosure, and the Account Receipt for each account, the terms of which are incorporated within.

14. Overdrafts

- a. Payment of Overdrafts.** If, on any day, the available funds in your share or deposit account are not sufficient to pay the full amount of a check, draft, transaction, or other item posted to your account plus any applicable fee (“overdraft”), we may pay or return the overdraft. The Credit Union’s determination of an insufficient available

account balance may be made at any time between presentation and the Credit Union's midnight deadline with only one (1) review of the account required. We do not have to notify you if your account does not have sufficient available funds to pay an overdraft. Your account may be subject to a charge for each overdraft regardless of whether we pay or return the overdraft. For ATM and one-time debit transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the Credit Union used to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.

- b. **Order of Payments.** Checks, drafts, transactions, and other items may not be processed in the order that you make them or in the order that we receive them. We may, at our discretion, pay a check, draft, or item, and execute other transactions on your account in any order we choose. The order in which we process checks, drafts, or items, and execute other transactions on your account may affect the total amount of overdraft fees that may be charged to your account. Please contact us if you have questions about how we pay checks or drafts and process transfers and withdrawals.
- c. **Available Balance.** To determine whether you have enough money in your Account to cover a transaction, we use your Account's available balance which is the balance in your account that is free for you to use. These are funds that are available for immediate use, and includes deposits, withdrawals, transfers, and any other activity that has already cleared to or from the account or is not on hold.

15. Postdated and Staledated Checks or Drafts – You agree not to issue any check or draft that is payable on a future date (postdated). If you do issue a check or draft that is postdated and we pay it before that date, you agree that we shall have no liability to you for such payment. You agree not to deposit checks, drafts, or other items before they are properly payable. We are not obligated to pay any check or draft drawn on your account that is presented more than six (6) months past its date.

16. Stop Payment Orders

- a. **Stop Payment Order Request.** Any owner may request a stop payment order on any check or draft drawn on the owner's account. To be binding, the order must be in writing, dated and signed, and must accurately describe the check or draft, including the exact account number, the check or draft number, and the exact amount of the check or draft. This exact information is necessary for the Credit Union's computer to identify the check or draft. If we receive incorrect or incomplete information, we will not be responsible for failing to stop payment on the check or draft. In addition, we must receive sufficient advance notice of the stop payment order to allow us a reasonable opportunity to act on it. If we recredit your account after paying a check or draft over a valid and timely stop payment order, you agree to sign a statement describing the dispute with the payee, to assign to us all your rights against the payee or other holders of the check or draft, and to assist us in any legal action.
- b. **Duration of Order.** Oral stop payment orders for checks or drafts will lapse within 14 calendar days unless confirmed in writing within that time. Written stop payment orders for checks or drafts are effective for six (6) months and may be renewed for additional six (6) month periods by requesting in writing that the stop payment order be renewed within a period during which the stop payment order is effective. We are not required to notify you when a stop payment expires.
- c. **Liability.** Fees for stop payment orders are set forth in the Truth-in-Savings Disclosure or Schedule of Fees and Charges. You may not stop payment on any certified check, cashier's check, teller's check, or any other check, draft, or payment guaranteed by us. Although payment of an item may be stopped, you may remain liable to any item holder, including us. You agree to indemnify and hold the Credit Union harmless from all costs, including attorney's fees, damages, or claims related to our refusing payment of an item, including claims of any joint account owner, payee, or endorsee in failing to stop payment of an item as a result of incorrect information provided by you.

17. Credit Union Liability – If we do not properly complete a transaction according to this Agreement, we will be liable for your losses or damages not to exceed the amount of the transaction, except as otherwise provided by law. We will not be liable if: (1) your account contains insufficient available balance for the transaction; (2) circumstances beyond our control prevent the transaction; (3) your loss is caused by your or another financial institution's negligence; or (4) your account funds are

subject to legal process or other claim. We will not be liable for consequential damages, except liability for wrongful dishonor. We exercise ordinary care if our actions or non-actions are consistent with applicable state law, Federal Reserve regulations and operating letters, clearinghouse rules, and general financial institution practices followed in the area we serve. You grant

us the right, in making payments of deposited funds, to rely exclusively on the form of the account and the terms of this Agreement. Any conflict regarding what you and our employees say or write will be resolved by reference to this Agreement.

- 18. Checks or Drafts Presented for Payment in Person** – We may refuse to accept any check or draft on your account that is presented for payment in person. Such refusal shall not constitute a wrongful dishonor of the check or draft, and we shall have no liability for refusing payment.
- 19. Remotely Created Checks or Drafts** – For purposes of this paragraph, “account” means a transaction account, credit account, or any other account on which checks or drafts may be drawn. A remotely created check or draft is a check or draft created by someone other than the person on whose account the check or draft is drawn. A remotely created check or draft is generally created by a third party payee as authorized by the owner of the account on which the check or draft is drawn. Authorization is usually made over the telephone or through on-line communication. The owner of the account does not sign a remotely created check or draft. In place of the owner’s signature, the remotely created check or draft usually bears a statement that the owner authorized the check or draft or bears the owner’s printed or typed name. If you authorize a third party to draw a remotely created check or draft against an account, you may not later revoke or change your authorization. It is your responsibility to resolve any authorization issues directly with the third party. We are not required to credit your account and may charge against your account any remotely created check or draft for which the third party has proof of your authorization.
- 20. Pledge/Statutory Lien** – Unless prohibited by law, you pledge and grant as security for all obligations you may have now or in the future, except obligations secured by your principal residence, all shares and dividends and all deposits and interest, if any, in all accounts you have with us now and in the future. If you pledge a specific dollar amount in your account(s) for a loan, we will freeze the funds in your account(s) to the extent of the outstanding balance of the loan or, if greater, the amount of the pledge if the loan is a revolving loan. Otherwise, funds in your pledged account(s) may be withdrawn unless you are in default. Federal or state law (depending on whether we have a federal or state charter) gives us a lien on all shares and dividends and all deposits and interest, if any, in accounts you have with us now and in the future. Except as limited by federal or state law, the statutory lien gives us the right to apply the balance of all your accounts to any obligation on which you are in default. After you are in default, we may exercise our statutory lien rights without further notice to you. **Your pledge and our statutory lien rights will allow us to apply the funds in your account(s) to what you owe when you are in default, except as limited by federal or state law.** If we do not apply the funds in your account(s) to satisfy your obligation, we may place an administrative freeze on your account(s) in order to protect our statutory rights and may apply the funds in your account(s) to the amount you owe us at a later time. The statutory lien and your pledge do not apply to any Individual Retirement Account or any other account that would lose special tax treatment under federal or state law if given as security. By not enforcing our right to apply funds in your account to your obligations that are in default, we do not waive our right to enforce these rights at a later time.
- 21. Legal Process** – If any legal action is brought about against your account, we may pay out funds according to the terms of the action or refuse any payout until the dispute is resolved. Any expenses or attorney fees we incur responding to legal process may be charged against your account without notice, unless prohibited by law. Any legal process against your account is subject to our lien and security interest.
- 22. Account Information** – Upon request, we will give you the name and address of each agency from which we obtain a credit report regarding your account. We agree not to disclose account information to third parties except when: (1) it is necessary to complete a transaction; (2) the third party seeks to verify the existence or condition of your account in accordance with applicable law; (3) such disclosure complies with the law or a government agency or court order; or (4) you give us written permission.

23. Notices

- a. **Name or Address Changes.** You are responsible for notifying us of any name or address change. The Credit Union is only required to attempt to communicate with you at the most recent address you have provided to us. We may require all name and address changes to be provided in writing. If we attempt to locate you, we may impose a service fee as set forth in the Truth-in-Savings Disclosure or Schedule of Fees and Changes.
- b. **Notice of Amendments.** Except as prohibited by applicable law, we may change the terms of this Agreement at any time. We will notify you of any change in terms, rates, or fees as required by law. We reserve the right to waive any terms of this Agreement. Any such waiver shall not affect our right to future enforcement.
- c. **Effect of Notice.** Any written notice you give us is effective when we receive it. Any written notice we give to you is effective when it is deposited in the U.S. mail, postage prepaid, and addressed to you at your statement mailing address. Notice to any account owner is considered notice to all account owners.
- d. **Electronic Notices.** If you have agreed to receive notices electronically, we may send you notices electronically and discontinue mailing paper notices until you notify us that you wish to reinstate receiving paper notices.

24. Taxpayer Identification Number and Backup Withholding – Your failure to furnish a correct Taxpayer Identification Number (TIN) or meet other requirements may result in backup withholding. If your account is subject to backup withholding we must withhold and pay to the Internal Revenue Service (IRS) a percentage of dividends, interest, and certain other payments. If you fail to provide your TIN, we may suspend opening your account.

25. Statements

- a. **Contents.** If we provide a periodic statement for your account, you will receive a periodic statement of transactions and activity on your account during the statement period as required by applicable law. If a periodic statement is provided, you agree that only one (1) statement is necessary for joint accounts. For share draft or checking accounts, you understand and agree that your original check or draft, when paid, becomes the property of the Credit Union and may not be returned to you, but copies of the check or draft may be retained by us or by payable-through financial institutions and may be made available upon your request. You understand and agree that statements are made available to you on the date they are sent to you. You also understand and agree that checks, drafts, or copies thereof are made available to you on the date the statement is sent to you, even if the checks or drafts do not accompany the statement.
- b. **Examination.** You are responsible for promptly examining each statement upon receiving it and reporting any irregularities to us. If you fail to report any irregularities such as forged, altered, unauthorized, unsigned, or otherwise fraudulent items drawn on your account, erroneous payments or transactions, or other discrepancies reflected on your statement within 33 days of the date we sent the statement to you, we will not be responsible for your loss.
- c. **Notice to Credit Union.** You agree that the Credit Union's retention of checks or drafts does not alter or waive your responsibility to examine your statements or the time limit for notifying us of any errors. The statement will be considered correct for all purposes, and we will not be liable for any payment made or charged to your account unless you notify us in writing within the above time limit for notifying us of any errors. If you fail to receive a periodic statement, you agree to notify us within 14 days of the time you regularly receive a statement.

26. Inactive Accounts – If your account falls below any applicable minimum balance and you have not made any transactions over a period specified in the Truth-in-Savings Disclosure or Schedule of Fees and Charges, we may classify your account as inactive or dormant. Unless prohibited by applicable law, we may charge a service fee, as set forth in the Truth-in-Savings Disclosure or Schedule of Fees and Charges, for processing your inactive account. If we impose a fee, we will notify you, as required by law, at your last known address. You authorize us to transfer funds from another account of yours to cover any service fees, if applicable. To the extent allowed by law, we reserve the right to transfer the account funds to an account payable and to suspend any further account statements. If a deposit or withdrawal has not been made on the account and we have had no other sufficient contact with you within the period specified by state law, the account will be presumed to be abandoned. Funds in abandoned accounts will be reported and remitted in accordance with state law. Once funds have been turned over to the state, we have no further liability to you for such funds, and if you choose to reclaim such funds, you must apply to the appropriate state agency.

- 27. Special Account Instructions** – You may request that we facilitate certain trust, will, or court-ordered account arrangements. However, because we do not give legal advice, we cannot counsel you as to which account arrangement most appropriately meets the specific requirements of your trust, will, or court order. If you ask us to follow any instructions that we believe might expose us to claims, lawsuits, expenses, liabilities, or damages, whether directly or indirectly, we may refuse to follow your instructions or may require you to indemnify us or post a bond or provide us with other protection. We may require that account changes requested by you, or any account owner, such as adding or closing an account or service be evidenced by a signed Account Change Card and accepted by us.
- 28. Termination of Account and Restriction of Services** – We may terminate your account or restrict services at any time without notice to you or may require you to close your account and apply for a new account if: (1) there is a change in owners or authorized signers; (2) there has been a forgery, fraud or another misdeed reported or committed involving your account against the credit union or against a person on the premises of the credit union; (3) there is a dispute as to the ownership of the account or the funds in the accounts; (4) any checks or drafts are lost or stolen; (5) there are excessive returned unpaid items not covered by an overdraft protection plan; (6) there has been any misrepresentation or any other abuse of any of your accounts; or (7) we reasonably deem it necessary to prevent a loss to us. You may terminate an individual account by giving written notice. We reserve the right to require the consent of all owners to terminate a joint account. We are not responsible for payment of any check, draft, withdrawal, transaction, or other item after your account is terminated; however, if we pay an item after termination, you agree to reimburse us.
- 29. Termination of Membership** – You may terminate your membership by giving us written notice or by withdrawing your minimum required membership share(s), if any, and closing all your accounts. You may be denied services for causing a loss to the Credit Union, or you may be expelled for any reason as allowed by applicable law.
- 30. Death of Account Owner** – We may continue to honor all transfer orders, withdrawals, deposits, and other transactions on an account until we know of a member's death. Once we know of a member's death, we may pay checks or drafts or honor other payment or transfer orders authorized by the deceased member for a period of ten (10) days after that date unless we received instructions from any person claiming an interest in the account to stop payment on the checks, drafts, or other items. We may require anyone claiming a deceased owner's account funds to indemnify us for any losses resulting from our honoring of that claim. This Agreement will be binding upon any heirs or legal representatives of any account owner.
- 31. Unlawful Internet Gambling and Other Illegal Activities** – You agree that you are not engaged in unlawful internet gambling or any other illegal activity. You agree that you will not use any of your accounts, access devices or services for unlawful internet gambling or other illegal activities. We may terminate your account relationship if you engage in unlawful internet gambling or other illegal activities.
- 32. Severability** – If a court holds any portion of this Agreement to be invalid or unenforceable, the remainder of this Agreement shall not be invalid or unenforceable and will continue in full force and effect. All headings are intended for reference only and are not to be construed as part of the Agreement.
- 33. Enforcement** – You are liable to us for any losses, costs, or expenses we incur resulting from your failure to follow this Agreement. You authorize us to deduct any such losses, costs, or expenses from your account without prior notice to you. If we bring a legal action to collect any amount due under or to enforce this Agreement, we shall be entitled, subject to applicable law, to payment of reasonable attorney's fees and costs, including fees on any appeal, bankruptcy proceedings and any post judgment collection actions.
- 34. Governing Law** – This Agreement is governed by the Credit Union's bylaws, federal laws and regulations, the laws including applicable principles of contract law, and regulations of the state in which the Credit Union's main office is located and local clearinghouse rules, as amended from time to time. As permitted by applicable law, you agree that any legal action regarding this Agreement shall be brought in the county in which the Credit Union is located.

35. Arbitration – This Arbitration Provision applies to disputes arising from your deposit account relationships with the Credit Union and/or any other matters arising from or related to your membership in or relationship with the credit union, other than claims specifically arising from your status as a borrower under any loan agreement with the Credit Union. You or the Credit Union may elect to have any claim resolved by binding arbitration before a neutral arbitrator instead of in court. The term “claim” means any claim or dispute, in law, equity or otherwise involving your deposit account relationship with the Credit Union or your membership in the Credit Union. It includes any claim, dispute or controversy concerning any fees or charges relating to any deposit account and any services relating to any deposit account, including, without limitation, safe deposit box services, wire transfer services, online or telephone banking services, automated teller machine services and debit card services. It includes not only any claim, dispute or controversy directly between you and the Credit Union, but also any matter with respect to anyone connected with you or claiming through you, such as a joint account holder, account beneficiary, trustee, guardian or other representative or agent. The term “claim” includes initial claims, counterclaims, cross claims and third party claims. It includes disputes based upon contract, tort, consumer rights, fraud and other intentional torts, constitution, statute, regulation, ordinance, common law and equity, including any claim for injunctive or declaratory relief.

The term “claim” does not include disputes about the validity, enforceability, coverage or scope of this Arbitration Provision, including, without limitation, the Class Action Waiver set forth below. The term “claim” also specifically excludes any claim or dispute arising from your status as a borrower under any loan agreement with the Credit Union. Furthermore, nothing in this Arbitration Provision limits or constrains any right to self-help remedies, such as the right to set-off or the right to restrain funds in a deposit account, the right or obligation to interplead funds in the event of a dispute, the right to exercise any security interest or lien in property, any obligation to comply with legal process, or right to obtain provisional remedies with respect to funds or property.

You and the Credit Union retain the right to seek individual relief in small claims court so long as the claim is only in the small claims court and is within the jurisdiction of the small claims court. Pursuing a claim in small claims court does not waive any right to see arbitration with respect to claims outside of the jurisdiction of the small claims court, or if the claim is transferred, removed or appealed from the small claims court to a different court.

Arbitrations will be conducted by the American Arbitration Association (“AAA”) in accordance with its Consumer Arbitration Rules. You can find the Consumer Arbitration Rules at www.adr.org. If the AAA is not available, you and the Credit Union will select another arbitration provider agreeable to both parties.

The Arbitration hearing will be conducted before a single arbitrator in a location reasonably convenient to your place of residence, or another location if required by the rules of AAA or other agreed upon arbitration provider. If you and the Credit Union agree, the arbitration may be conducted by telephone. You will pay an administrative fee and arbitrator’s fees. The amount of the fee you must pay will be determined by the amount of the claim that you file, and will be capped by AAA. The Credit Union will be responsible for administrative fees and arbitrator’s fees in excess of these capped amounts. You and the Credit Union will each be responsible for paying your own attorney’s fees, witness fees and experts’ expenses, except as otherwise required by law or this Arbitration Provision.

The arbitration award must be a written, reasoned opinion. The arbitrator’s decision will be final and binding on you and the Credit Union, except for (1) a limited right to appeal as permitted under the Federal Arbitration Act and (2) any award of \$100,000 or more may be appealed to a three (3) arbitrator panel selected in accordance with AAA Rules. Any award must be kept confidential.

Before you initiate an arbitration, you agree to provide the Credit Union with written notice at 340 E Huron St, Ann Arbor MI 48104 (or any changed address that we have provided to you in writing), and give the Credit Union a reasonable opportunity to resolve your claim. Your notice must provide your name, your account number, a description of your claim including the dollar amount, and describe any information that you require from the Credit Union.

Before the Credit Union initiates an arbitration, the Credit Union must provide you with written notice at your address as shown on the Credit Union’s records, and give you a reasonable opportunity to resolve the Credit Union’s claim. The Credit Union’s notice must describe the Credit Union’s claim including the dollar amount. You and the Credit Union each have 30 days from receipt of notice to resolve the claim before commencing arbitration.

This Arbitration Provision is governed by the Federal Arbitration Act, 9 USC 1, *et seq.* and not by any state arbitration law. The arbitrator must apply substantive law consistent with the Act and applicable statutes of limitations and claims of privilege recognized at law. In addition to the Act, this Arbitration Provision is governed by other Federal law. To the extent Federal law does not apply, the law of the state of Michigan will apply. The arbitrator is authorized to award all remedies permitted by the substantive law that would apply if the action were pending in court.

CLASS ACTION WAIVER. OTHER THAN AS EXPRESSLY PROVIDED IN THIS ARBITRATION PROVISION, YOU AND THE CREDIT UNION AGREE THAT ONLY AN ARBITRATOR MAY RESOLVE CLAIMS. YOU AGREE NOT TO BRING OR PARTICIPATE AS A CLASS REPRESENTATIVE OR A CLASS MEMBER IN ANY CLASS ACTION IN ARBITRATION OR IN ANY OTHER CONSOLIDATED PROCEEDING. ANY CLAIM BETWEEN YOU AND THE CREDIT UNION MUST BE RESOLVED ON AN INDIVIDUAL BASIS. ARBITRATION IS NOT AVAILABLE AND WILL NOT BE CONDUCTED ON A CLASS-WIDE BASIS.

If any portion of this Arbitration Provision (other than the Class Action Waiver) is deemed invalid or unenforceable, it shall not invalidate the remaining portions of this Arbitration Provision, provided that such remaining portions are not then material inconsistent with the terms of this Arbitration Provision prior to such determination.

If the Class Action Waiver portion of this Arbitration Provision is declared unenforceable by a court, the remainder of this Arbitration Provision shall be unenforceable.

This Arbitration Provision shall survive the termination or closing of the deposit account or related services; any changes to the deposit account or related services; any legal proceeding; any use of the right of set-off, exercise of statutory lien or other self-help remedy; any transfer or assignment of the deposit account; and any bankruptcy or any party (to the extent consistent with applicable bankruptcy law).

- 36. Negative Information – We may report information on your loan, share, or deposit accounts to credit bureaus. Late payments, missed payments, and other defaults on your accounts may be reflected in your credit report.**

An inbound transfer moves funds into an account you own at UMCU from an account outside UMCU. An outbound transfer moves funds from an account you own at UMCU to an account outside UMCU.

Please read this Agreement and Disclosure carefully. It includes your rights and obligations, as well as those of UMCU. The terms and conditions of this Agreement are in addition to the account agreements, disclosures, fee schedules, and other documents in effect from time to time governing your account(s).

By enrolling and/or using the Financial Institution to Financial Institution Service, or authorizing another party to use the Service, you agree to comply with the terms and conditions of this Agreement. You also acknowledge by using this Service that you have downloaded, printed, or otherwise received a copy of the terms and conditions and that you understand them. You also agree to all future updates to the Agreement and Disclosure. Any changes to the Agreement and Disclosure will be available at umcu.org or by contacting UMCU.

Your initial use of the Financial Institution to Financial Institution Service constitutes your acceptance and agreement to be bound by all the terms and conditions of this Agreement and by all other UMCU Documents relating to your accounts and acknowledge your receipt and understanding of this Agreement.

Enrollment/Eligibility

You must be enrolled in Online Banking Services to use the Financial Institution to Financial Institution Service. The Financial Institution to Financial Institution Service is not available for some accounts, e.g., irrevocable trust accounts, custodial accounts or guardianship accounts.

You must be at least 18 years of age in order to request the Financial Institution to Financial Institution Service. Your UMCU account(s) must be open at least 30 days and be in good standing. You will need to provide certain identifying information about each non-UMCU account in order to register that account for this service.

Before you can begin making transfers to or from an account held at another financial institution, the account you wish to use must be verified. We will tell you when we enable Financial Institution to Financial Institution transfers what your verification method will be. The external account may receive a small ACH credit for an undisclosed amount. If this verification method is used, you will need to enter the amount of the credit in the FI Transfer Section within seven days in order to complete the verification process.

Transaction Routing and Compliance

You agree that UMCU may use any means or routes which we in our sole discretion consider suitable to execute your transfer.

You agree that all transfers will be subject to applicable U.S. federal laws and regulations, Federal Reserve operating circulars governing payment orders, and National Automated Clearing House Association rules.

Initiating and Scheduling Transfers

After the verification process is complete, you may begin establishing transfers.

Transfers can be scheduled on either a one-time or a recurring basis. Processing of one-time transfers may be initiated immediately or scheduled for initiation on a future date. Transfers may be scheduled in advance. The recurring transfer feature may be used when a set amount is transferred at regular intervals. For example, you may schedule a \$500 transfer

from an account you own at another financial institution to your University of Michigan Credit Union checking account every other week on a specified week day.

For one-time and recurring transfers you will be asked to select the date that you want us to initiate the processing of the transfer.

One-time future-dated or recurring transfers scheduled for a weekend or a non-business day will be processed on the next business day.

Cut-off Time: The cut-off time for transfers is 8:30p.m. ET. Any transfer entered after this time will be considered as being initiated on the next business day.

Business Days: Monday through Friday, excluding federal holidays

Dollar and Transaction Limits

Daily Inbound Transfer Limits: The maximum total dollar amount for web initiated transfers from other financial institutions to a UMCU account is \$2,500.00 per account, per day. Maximum total dollar amount limits do not apply to payments scheduled in person or by phone.

Daily Outbound Transfer Limits: The maximum total dollar amount for web initiated transfers from UMCU to other financial institutions is \$2,500.00 per account, per day. Maximum total dollar amount limits do not apply to payments scheduled in person or by phone.

Dollar limits may be adjusted at any time by UMCU based on your account transactions, and such other factors that UMCU may determine to apply. You agree that in the event that we determine that there are risks associated with a Financial Institution to Financial Institution transfer or if we determine that you no longer qualify for this service, we may delay or cancel any transfer, or request that you contact us to provide additional details on the transfer before it is initiated or funds are released.

Monthly Limit: The Federal Reserve Regulation D limit on the frequency of savings account transactions of six per month also applies. You may make no more than six transfers from a savings account per calendar month or statement cycle.

We will use the date the transaction is scheduled to occur (as opposed to the date you initiate it) to apply these limitations.

Questions regarding the dollar or transaction limit relating to a specific transfer should be directed to a Member Service Representative at (734) 662-800 or (800) 968-8628.

Processing Transfers

A transfer remains In Process until fully processed and its status will appear as "Pending". Transfers are listed as Pending based on the timing of the scheduling and the date the payment will process:

- One-time immediate transfers process at the next half hour processing time. Once processed, the transfer is no longer considered pending and does not show on this screen.
- One-time future-dated transfers are pending until the first processing time on the scheduled date (usually around 1:00AM credit union time). Once processed, the transfer is no longer considered pending and does not show on this screen.
- Recurring transfers (displaying the next scheduled date) are pending until the transfer expires.

You agree that we may cancel a transfer, without prior notice, in the event that:

- Any of your accounts with UMCU are not in good standing.
- You have had an overdraft, an over-limit item, or an item returned for insufficient funds with respect to any UMCU deposit account during the last three months.

You have had any prior transfer canceled, revoked, or uncompleted due to reasons such as insufficient funds, revoked authorization, stopped payments, or frozen account.

UMCU will not be liable to you if we do not provide notice to you of rejection of a transfer.

Inbound Transfers

Generally, inbound one-time immediate transfers established before 8:30p.m. EST post the next business day. Immediate transfers established after the cutoff time post in two business days.

Outbound Transfers

You agree that you will have sufficient available funds in the designated deposit account to cover all outbound transfers on the date scheduled. If the deposit account does not have sufficient available funds on the scheduled date, we may elect not to initiate one or more of the transfers. If we do elect to initiate the transfer, it may cause an overdraft in your account in which case you will be liable for any overdraft and NSF fees, as set forth in your account agreement and the UMCU Fee Schedule. The fact that we may honor outbound transfer requests that overdraw the available account balance does not obligate us to do so later. Regardless of whether or not we elect to initiate the transfer, you agree to pay all related NSF fees as disclosed in your account agreement and fee schedule.

Generally, outbound one-time immediate transfers established before 8:30p.m. EST post the next business day. Immediate transfers established after the cutoff time post in two business days.

Cancelling Transfers

Subject to the limitations included herein, you can cancel one-time future-dated and recurring transfers prior to processing by calling us at (734) 662-8200 or (800) 968-8628. If you call, we may also require you to submit your request in writing and get it to us within 14 days. You may not call and cancel an In Process or Processed transfer.

Transfer and Related Fees

You agree to pay all transfer and related fees, e.g., NSF, stop payment, and research fees, as published from time to time in the UMCU Fee Schedule.

Limitation on Liability

UMCU is not responsible for any failure on your part or the part of another financial institution, including but not limited to a failure to act in a timely manner.

We may refuse and are not liable for any transfer request that you attempt by any method we do not specifically permit, which exceeds the frequency permitted, or which is for an amount outside of any transfer limitations. Even if we honor a nonconforming request, we may treat continued abuse of the stated limitations as your act of discontinuing the Service. The Credit Union may refuse any withdrawal request against unavailable or non-sufficient funds. The fact that we may honor withdrawal requests that overdraw the available account balance does not obligate us to do so later.

FUNDS AVAILABILITY POLICY DISCLOSURE

This policy applies to checking accounts. Feel free to ask us whether any of your other accounts might also be under this policy. Our policy is to make funds from your deposits available to you immediately after we receive your deposit. **Please remember that even after we have made funds available to you and you have withdrawn the funds, you are still responsible for checks you deposit or cash that are returned to us unpaid, and for any other problems involving your transaction.**

Determining the Availability of a Deposit – For determining the availability of your deposits, every day is a business day except Saturdays, Sundays, and Federal holidays. If you make a deposit before closing on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after closing or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

Deposits in New Accounts – Within the first 30 calendar days after an account is opened the funds you deposit by check will not be available until the fifth business day after the day of your deposit. The first \$5,000 from a deposit of U.S. Treasury checks made payable to you and made in person to an employee of the University of Michigan Credit Union will be available for withdrawal one business day after your deposit. The excess over \$5,000 will be available after the fifth business day. You also have next day availability on the first \$5,000 for the following check deposits if they are payable to you and made in person to an employee of the University of Michigan Credit Union: state or local government checks; cashier's checks; certified checks; teller's checks; or U.S. Postal Service Money Orders. The rest is available after the fifth business day.

Longer Delays May Apply – In some cases, we will not make all of the funds that you deposit by check available to you immediately. Depending on the type of checks that you deposit, funds may not be available until the second business day after the day of your deposit. However, the first \$200 of your deposit will be available on the first business day after the deposit.

If all funds from your deposit are not going to be available on that same business day, we will inform you at the time you make your deposit. We will also inform you when the funds will be made available. If your deposit is not made directly to a credit union employee, or if we decide to take action after you have left the premises, we will mail you the notice by the business day after the decision is made to limit availability.

If you will need the funds from a deposit right away, you should ask us when the funds will be available. In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid;
- You deposit checks totaling more than \$5,000 on any one day;
- You deposit a check that has been returned unpaid;
- You have overdrawn your account repeatedly in the last six months;
- There is an emergency, such as failure of communications or computer equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

Deposits at Automated Teller Machines (ATMs) – The first \$200 of a deposit made at Automated Teller Machines (ATMs) will be available on the first business day after the day of deposit. We may hold any deposit at an ATM for two business days.

Deposits at Shared Branches and Service Centers – The first \$200 of a deposit made at Shared Branches or Service Centers will be available on the first business day after the day of the deposit. We may hold any deposit for two business days. If you make a deposit at a Shared Branch on a day that your credit union is not open, your deposit will be considered made on the next business day your credit union is open.

OVERDRAFT and COURTESY PAY DISCLOSURE

To provide the highest level of service to our members, University of Michigan Credit Union (UMCU) has adopted this discretionary overdraft policy to provide consistency and fairness in managing overdrafts. Courtesy Pay is not a contractual commitment to do so, but if you maintain your account in good standing, we may, at our sole discretion, pay a check or pre-authorized electronic (ACH) transaction when the amount withdrawn exceeds the available amount in your checking account. If you do not want us to pay your overdrafts for checks or ACH, you must notify us to “opt out”. If you receive a direct deposit of your social security or other federal benefit check, you must opt out if you do not want us to apply those funds to repay an overdraft.

We will not authorize any ATM, Point-of-Sale (POS) or one-time debit card transaction when the amount withdrawn exceeds the available amount in your checking account unless you provide your affirmative consent for us to do so (“opt in”). You have the right to revoke this authorization at any time (“opt out”). In paying these items, your checking account may be overdrawn by up to \$500, including any and all fees and charges. **Please refer to the Membership and Account Agreement for important additional information regarding Overdrafts.**

Good standing may include, but is not limited to, any or all of the following criteria and is subject to change:

- You are at least 18 years of age.
- You are not in default (35 days or longer past due) on any loan or other obligation to us.
- You are not subject to any legal or administrative order or levy.
- Your account has not been overdrawn longer than 45 days.
- You do not have a revoked Debit Card.
- You have a valid mailing address on file with UMCU.

A Courtesy Pay fee, as set forth in the Fee Schedule, will be charged for each item submitted and paid that overdraws your available checking account balance by less than \$500. You will not be charged for a fee if the transaction is less than \$10.00. There is no limit to the number of total fees we can charge you for overdrawing your account. You are not charged for using Courtesy Pay unless you have an overdraft. Transactions may not be processed in the order in which they occur; the order in which transactions are received by UMCU and processed can affect the total amount of overdraft fees incurred. If your checking account is overdrawn 45 consecutive days, the account will be closed.

It is the policy of UMCU to comply with all applicable laws and regulations. The Membership and Account Agreement controls the duties, obligations and rights of the member, the authorized signatories and UMCU with regard to your checking account. The Membership and Account Agreement terms shall control any possible conflict between any provision of this overdraft policy and the Membership and Account Agreement.

What You Need to Know about Overdrafts and Overdraft Fees

An overdraft occurs when you do not have enough money in your account to cover a transaction, but we pay it anyway. We look at the available balance when determining whether there is an overdraft. Available balance is the ledger balance minus any deposits or withdrawals that are on hold or transactions that have been preauthorized that have not yet been debited from your account. We can cover your overdrafts in two different ways:

1. We have standard overdraft practices that come with your account.
2. We also offer overdraft protection plans, such as a link to a savings account or a line of credit, which may be less expensive than our standard overdraft practices. To learn more, please ask us about these plans.

This notice explains our standard overdraft practices.

What are the standard overdraft practices that come with my account?

We **do** authorize and pay overdrafts for the following types of transactions:

- Checks and other transactions made using your checking account
- Electronic ACH transactions

We **do not** authorize and pay overdrafts for the following types of transactions unless you ask us to (see below):

- ATM transactions
- Everyday debit card transactions

We pay overdrafts at our discretion, which means we do not guarantee that we will always authorize and pay any type of transaction.

If we **do not** authorize and pay an overdraft, your transaction will be declined.

What fees will I be charged if UMCU pays my overdraft?

Under our standard overdraft practices:

- We will charge you a fee of \$30 each time we pay an overdraft.
- You will not be charged a fee on transactions less than \$10 that overdraw your account.
- There is no maximum number of overdraft fees per day on your account.

**Please refer to Section 14 of your Membership Agreement
for important additional information on overdrafts.**

What if I want UMCU to authorize and pay overdrafts on my ATM and everyday debit card transactions?

If you also want us to authorize and pay overdrafts on ATM and everyday debit card transactions, call us at (734) 662-8200, visit www.umcu.org or complete the form below. You may fax it to 734-996-4522, mail it to P.O. Box 7850, Ann Arbor, MI 48107-7850 or bring it to any one of our branches.
